Dear Bob,

On behalf of the Line Officers of the Churchville Fire Department I am submitting this letter as part of the 2022 annual report.

As 2022 comes to a close I want to thank the Administration Officers and especially each and every firefighter for a great year. As I close out my first year as fire chief of this great organization I look forward to this upcoming year.

This past year we wrote our EMS officer SOP to follow the Bylaws and get someone appointed to this position for 2023.

Another major update we made was to our turnout gear spec to better protect our members while at any emergency we respond to.

I am looking forward to another great year ahead of us and being able to lead this organization into the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Todd J. Wainwright". The signature is fluid and cursive.
